

FRISIAN seeds

Experts in Vegetable,
Herb and Flower Seeds

- ✔ 30 years of experience
- ✔ 1.000+ types of Seeds
- ✔ 300+ International customers
- ✔ Large network of Growers
- ✔ Contract and re-sale

www.frisianseeds.nl

welcome

Frisian Seeds is an expert in production and sales of bulk seeds. Founded in 2017, Frisian Seeds will leverage an existing large network of growers and customers acting like a spider in the web focused on delivering optimum results.

Our offerings include, and are not limited to, producing seeds from all over the world, also on a contract basis, plus re-sale of bulk seeds from a variety of assortments such as vegetable, herb, flower and agricultural seeds.
